Oikocredit is a social impact investor and worldwide cooperative with over four decades of experience in leading positive change through investments in financial inclusion, agriculture and renewable energy.

Guided by the principle of empowering low-income people to improve their quality of life, Oikocredit supports partners in Africa, Asia and Latin America through loans, investments and capacity building.

Oikocredit is financed by individuals and institutions who want to be part of a global movement for social change. Our investments prioritise social impact while safeguarding the environment and generating fair financial returns.

We’re a global organisation with local presence, able to respond to our partners’ needs and strengthen them by offering more than financing.

**Rwanda – Creating a positive future for rural communities**

Clecam Ejoheza is a microfinance institution that offers savings and credit services to solidarity groups of farmers, women and small entrepreneurs. Its mission is to make a meaningful contribution to poverty reduction in Rwanda through financial and non-financial services with a focus on rural communities. Clecam Ejoheza is rooted in an agricultural microcredit cooperative set up by farmers’ unions in the Southern Province to enable farmers to invest in their agricultural activities and improve their social well-being. Clecam Ejoheza has been an Oikocredit partner since 2017.
